Skimming and scanning are reading techniques that use rapid eye movement and keywords to move quickly through text for slightly different purposes. Skimming is reading rapidly in order to get a general overview of the material. Scanning is reading rapidly in order to find specific facts.

Evaluation

Read the text and answer the questions below.

Martin Luther King was born in Atlanta, Georgia. He studied hard at school. He wanted to make the world a better place. While he was in college, King studied about a man named Gandhi and learned from his example. King believed that everyone had the right to freedom and equality. He didn't believe in violence. When Dr. King became a pastor, he became active in civil rights. He led marches and a boycott to protest discrimination against black people on the buses. In 1963 in Washington D.C., Dr. King gave his famous speech, "I have a dream." In 1964, he won the Nobel Peace Prize for fighting against racial inequality in non-violent ways. On the morning of April 4, 1968, Martin Luther King was assassinated. He was 39 years old.
