

My Birthday

Now write a composition about your birthday. Use the following points as a guide.

- Which birthday was it?
- What presents did you receive?
- Who gave you what?
- Did you receive anything special?
- How did you feel?
- Was it a game to play with? Was it something to wear?
Was it a book, a CD?
- What did you do with it?
- How did you feel about that birthday and the special gift?
