- 3 \$6,200,000 _____
- 4 €845,231 _____
- 5 ¥33,914 _____

Read the dialogue and circle the correct words.

Maria Hey, Eve. Have you heard that Macy's has got a bargain / special offer on at the moment? If you book an appointment and take a friend, you can get two cuts for the price of one. I found a discount / coupon in a magazine for it. Do you fancy coming with me on Friday?

Eve Oh, that's a great idea. Then we'll both look good for the weekend. Do you know how much it costs/charges?

Maria I think it's £20 in total, so it's £10 each!

Eve Great! I think you owe / borrow me £10 from last month, so is it OK if you pay?

Maria Sure. I've paid for / run out of my favourite shampoo too, so I can get some more while we're there.
