

#TBT

Answer using past continuous and/or past simple!

- 1 Think about a good memory from a past trip and try to describe what was happening.

- 2 Think about a friend, describe the moment that you met him/her and your first interaction.

- 3 Think about your first English class at Centro de Línguas. Who was the teacher? How was it? How did you feel? What was the subject? Did you like it?

- 4 Can you think of a time when you were relaxing and something unexpected happened? Describe it.

- 5 Describe a memorable birthday celebration from your childhood.

- 6 How was your life last year? What changed since then?

- 7 What were you chatting about with your friends/family when you last talked to them?
