

1 Complete the clocks.

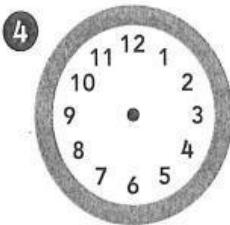

It's quarter past ten.

It's five to one.

It's twenty to eleven.

It's twenty-five past six.

2 Read and match.

I go swimming at half past three on Tuesdays.

I do karate at twenty past eight on Wednesdays.

I play football at quarter to four on Thursdays.

I have dance lessons at ten past six on Fridays.

I have tennis lessons at five to eleven on Saturdays.

3 Think What do you do at these times? Write.

Finished? Draw some more clocks and write sentences about what you do at the times shown.
