About me

I love technology. Today in my bag I have my wireless [1] *earbuds*, so I can listen to music, my power [2] _____ and of course my smartphone. I use it all the time to [3] _____ for information and to [4] _____ with my friends. Sometimes I take [5] _____ and post the nice photos on [6] _____ media. I don't update my [7] _____ very often because at the moment I go to school every day and nothing exciting happens. I [8] _____ all my favourite singers on social media, but I don't play games. My sister only goes online to play games. She never [9] _____ pictures or messages her friends. I think she's crazy!
