

Module 5.2: Listening activity

Education is important in the development of the different stages of life. Governments invest on education by giving schools some money to spend.

Listen to five people giving their opinion about the best way to use it. Then, match the speakers with the people.

Speaker 1	an ex-student
Speaker 2	a teacher
Speaker 3	the principal
Speaker 4	a student
Speaker 5	a parent

Listen again and match the speakers 1-5 with the statements a-e

Speaker 1	a- I don't think the money will help the school
Speaker 2	b- I think students should decide what to spend the money on.
Speaker 3	c- I think the money should be used to improve sports facilities.
Speaker 4	d- I think the money will make teaching easier.
Speaker 5	e- I think the money should be used in a variety of ways.
