

The Killers - Here With Me

Wheels are turning/running
I remember while/when you were mine
Just to reach you/me
Honey/Baby, I'd stand in line
There's another/other world
We're living/walking in
Tonight/Today

There're/There's another heart
That's putting/fading in
The light/dark

(CHORUS)

Don't _____ your picture
On my _____
I _____ you here with me
I don't want _____ memory
In my _____, no
I _____ you here with me

Spent the _____
Just layin' out in the _____
Time seems to _____ so slowly
When you're _____ it as it comes
(Taking it as it comes)
Maybe we were just too _____
(Maybe we were just too young)

Your _____ was tan and your hair was
long
You showed me your _____ and my cares
were gone

Falling in _____ filled my soul with
fright
You said "Come on babe, it'll be _____"
Must _____ been a fool till the bitter end
_____ I hold on to hope
That _____ have you back again

He'd/I'd bargain and
I'd fight/try
But there's another world/city
We're/You're living in
Tonight/Here

(COME BACK TO CHORUS)

Fine/Well, I saw you in a restaurant
The other/another day
And instead of walking towards you/me
I ran/went away
(Ran away)
So/And I'll keep on waiting for you
For you to come/came around
Come around and say/talk

I don't want your _____
On _____ cell phone
I _____ you here with me
Don't need those _____
In my _____, no
I _____ you here with me
