

The Cure: It's Friday...

<https://www.youtube.com/watch?v=mGgMZpGYiy8>

Match the beginning with the endings:

I don't care if Monday's

gray

Tuesday's

I don't care about you

and Wednesday

blue

Thursday

too

It's Friday, _____

Monday

break my heart

Tuesday, Wednesday,

doesn't even start

Oh, Thursday

you can fall apart

It's Friday, _____

Saturday

never hesitate

And Sunday

wait

But Friday

always comes too late

I don't care if Monday's

never looking back

Tuesday, Wednesday,

black

Thursday

heart attack

It's Friday, _____

Monday watch the walls instead

Tuesday, Wednesday, stay in bed

Or Thursday you can hold your head

It's Friday, _____

Saturday never hesitate

And Sunday wait

But Friday always comes too late

Put the lines in the correct order:

- () Always take a big bite
- () And just smiling at the sound
- () You can never get enough
- () It's a wonderful surprise
- () Throwing out your frown
- () Enough of this stuff
- () It's such a gorgeous sight
- () Dressed up to the eyes
- () To see you eat in the middle of the night
- () And as sleek as a shriek spinning 'round and 'round
- () To see your shoes and your spirits rise

It's Friday, _____
