My programme *Good Morning Britain* starts at seven o'clock and finishes at nine o'clock. Then I leave the studio at a quarter past ten. After that, I go shopping and visit some friends. I get home at three o'clock. A woman helps me with the housework and the ironing. I read a newspaper and do some work.

Then my husband gets home at half past five in the evening and I cook dinner. We stay at home in the evening. We don't go out because I go to bed very early. We usually watch television and then I go to bed at half past eight, I'm usually asleep by nine o'clock.

I think my job is very interesting but I don't like getting up very early.
