III. What are the ways to overcome barriers to communication? Choose your answers from the choices and drag them to their corresponding places.

Language barrier	Lack of self-confidence	Lack of concentration	Prejudice

Practice beforehand	Use plain language.	Act first rather than seeking perfection.	Do not jump to conclusions.
Do not use jargon vocabulary.	Prioritise listening over speaking.	Learn to consider the opinions of others.	Focus on seeing people as individuals.

IV. Determine the choices that correspond to the types of learners on the diagram. Pick your response from the available options, then move it to the appropriate spot.
