

2 Match the sentence halves to complete the rules.

### English class rules

- |                         |                                     |
|-------------------------|-------------------------------------|
| 1 You have to speak     | a ten new English words every week. |
| 2 You have to read      | b your homework.                    |
| 3 You have to learn     | c English at all times.             |
| 4 You have to do        | d your mobile phone off in class.   |
| 5 You have to listen to | e one book in English every month.  |
| 6 You have to turn      | f one song a week in English.       |

3 Write four rules for your English class that all the students will like, using *have to*.
