HELPING OTHERS

People often say that if they had more money, they **1** ____ other people, but I think that you can help people even if you **2** ____ any money. For example, last week I saw an elderly neighbour carrying some very heavy shopping slowly across a road and I offered **3** ____ her.

If I **4** ____ her, she might have had an accident.

5 ____ you ask first, I think people appreciate getting some help. You shouldn't help people in order to get something back. **6** ____ they say 'thank you', that is enough for me. I just **7** ____ I had more time to help others, like working for a charity.

That'd be great.
