

Work it, make it, do it
Makes us harder, better, faster, [REDACTED]
N-n-now that that don't kill me
Can only make me stronger
I need you to hurry up now
'Cause I can't wait much [REDACTED]
I know I got to be right now
'Cause I can't get much [REDACTED]
Man, I've been waiting all night now
That's how long I been on ya
(Work it [REDACTED], make it [REDACTED])
(Do it [REDACTED], makes us [REDACTED])
I need you right now
(More than ever, hour after hour, work)
I need you right now
Let's get lost tonight
You could be my black Kate Moss tonight
Play secretary, I'm the boss tonight
And you don't give what they all say, right?
Awesome, the Christian in Christian Dior
Damn, they don't make 'em like this anymore
I ask, 'cause I'm not sure
Do anybody make real [REDACTED]?
Bow in the presence of greatness
'Cause right now thou hast forsaken us
You [REDACTED] be honored by my lateness
That I would even show up to this fake
So go ahead, go [REDACTED], go
'Specially in my Pastelle, on my Bape
Act like you can't tell who made this
New Gospel, homie, take six and take this, haters

N-n-now that that don't [REDACTED] me
Can only make me [REDACTED]
I need you to hurry up now
'Cause I can't wait much [REDACTED]
I know I got to be right now
'Cause I can't get much [REDACTED]
Man, I've been waiting all night now
That's how long I been on ya
(Work it [REDACTED], make it [REDACTED])
(Do it faster, makes us [REDACTED])
I need you right now
(More than ever, hour after hour, work)
I [REDACTED] you right now (me likey)
I don't know if you got a man or not
If you made [REDACTED] or not
If God put me in your plans or not
I'm trippin', this drink got me sayin' a lot
But I know that God put you in front of me
So how the heck could you front on me?
It's a [REDACTED] yous, there's only one of me
I'm trippin', I'm caught up in the moment, right?
'Cause it's Louis Vuitton Don night
So we gonna do everything that Kan' like
Heard they'd do [REDACTED] for a Klondike
Well, I'd do anything for a blonde
And she'll do anything for the limelight
And we'll do anything when the time's right
Uh, baby you're makin' it ([REDACTED], better, [REDACTED], stronger)
