

TASK 2: Match the underlined words from the text with their definitions. Drag the definitions in the orange boxes into the blue boxes next to the word. There are two definitions that you shouldn't use.

fertile		extremely big
vast		an event, esp. one that happens unexpectedly
sparse		being the only existing one of its type or, more generally, unusual, or special in some way
expanse		able to produce a large number of something (e.g. fruit, vegetables, ...) because it's a good place to grow stg.
remoteness		extremely small in growth
unique		acceptable or right for someone or something
provide		a large, open area of land, water, or sky
consultation		to try to do something, especially something difficult
require		small in numbers or amount, often spread over a large area:
suitable		to give someone something that they need
supply		an amount of something that is available for use (e.g. water, food, ...)
occurrence		a meeting to discuss something or to get advice
		being far away in distance, far away from any town or city
		to need something or make something necessary
