Reading Activity

Life on the Space Station Astronauts on the International Space Station have a busy schedule. Every day they wake up at 7:00 GTM. From 7:00 to 8:00, they wash up and eat breakfast. At 8:00 in the morning, they call Ground control, they workday begins. The astronauts don't do the same thing every day. Their schedules change every week. The astronauts don't work all the time. Each day they do exercise for an hour in the morning an hour in the afternoon. After dinner, they have free time. Then, its time to go to sleep. Sometimes this isn't easy because the sun rises and sets 16 times each day on the space station. The astronaut's' work doesn't end on Friday. They work a half day on Saturday and all day on Sunday. Astronauts are very busy people.

1. GTM: Greenwich Mean Time
