

## SABADA

Daði Freyr y Filous

Sing your own \_\_\_\_\_, even if it's out of key  
If you're gonna move your \_\_\_\_\_, do it to your own beat  
Soon \_\_\_\_\_ you will see, you are you and I am me  
That's alright and you don't need to make up \_\_\_\_\_

Everything you do is \_\_\_\_\_  
So long as you do it your own way  
Not one thing about you needs \_\_\_\_\_  
For someone else

See, you don't need to be like \_\_\_\_\_  
'Cause fitting in is \_\_\_\_\_  
Yeah, you can let them \_\_\_\_\_  
You shouldn't need to \_\_\_\_\_ what they think

Sing your own \_\_\_\_\_, even if it's out of key  
If you're gonna move your \_\_\_\_\_, do it to your own beat  
Soon \_\_\_\_\_ you will see, you are you and I am me  
That's alright and you don't need to make up \_\_\_\_\_

Sabada, ba-ba-da-ba-da  
Sabada-bada, ba-ba-da-ba  
Sabada, ba-ba-da-ba-da  
Sabada-bada, ba-ba-da-ba

Don't listen to the \_\_\_\_\_ around you  
'Cause they don't know what they're talking \_\_\_\_\_  
To me, it looks like you've already found you  
You seem alright to me

See, you don't need to be like \_\_\_\_\_  
'Cause fitting in is \_\_\_\_\_  
Whoa, you don't have to \_\_\_\_\_  
You already know  
You already know

Sing your own \_\_\_\_\_, even if it's out of key  
If you're gonna move your \_\_\_\_\_, do it to your own beat  
Soon \_\_\_\_\_ you will see, you are you and I am me  
That's alright and you don't need to make up \_\_\_\_\_  
Sabada.... (repeat)
