

#When you WASTE YOUR FOOD PART 2

At the (1) in aisle two
I always buy all the (2) fruit
Cuz you know that it (3) tastes like it's
brand (4). And it's good for your country

Oh I oh I oh I oh I
I don't love it when you waste your food
Oh I oh I oh I oh I
I don't love it when you waste your food

One week in, we let the story begin,
follow you home for our first date
I've made you a flow (5)
about how you can get smart
about your (6) food waste,

I talk for hours and hours
about how you have the power
to (7) some expiration dates
And if your fridge is (8) cold,
then food can grow (9)
a little (10) than you'd like
