Hi! I'm Minh. I'm eleven. I go to Nguyen Trai School. My school is big. It has about 40 classrooms, a computer room, a music room and a lunchroom. It also has a large playground so we can play sports there. At school, I study many subjects: Math, History, Geography, Art, English,... My favorite subject is Geography. I have Geography on Wednesday morning. I also like English and Art. There are some interesting clubs in the afternoon. I join the nature club because I want to learn about the world. I love my school.
