2 Well, it's day five of my holiday now and so it's a mixture of good and bad. The flight *arrived* on time but the bus to the hotel broke down, so we got to the hotel late. We sat on the side of the road for two hours until another bus came. We didn't do much on the first couple of days, we just sat next to the pool. I didn't like the food. It was fish and rice every day and they didn't have chips or pizza. On the third day it wasn't sunny so we went to a theme park. I went on most of the rides but I didn't go on one of the roller coasters – it was too big and fast! Yesterday we went to the beach. I swam in the sea and saw lots of fish, but I couldn't catch any. Today I will!
