EXTRA CLASSES - STARTER
Reading about giraffes

1. Answer the questions:

a) What color is the giraffe? _____

b) How tall is it? _____

c) Do you like giraffes? _____

2. Let's read some curiosities about giraffes:

Giraffes

The giraffe is the tallest animal in the world. It has long legs and a very long neck. A giraffe can reach higher into the trees than any other animal.

Giraffes can be found in Africa. They live in grasslands and woodlands. A giraffe's favorite food are the leaves from an acacia tree.

Language for today's world

Both male and female giraffes are born with horns on the top of their heads.

A giraffe's height and very good eyesight help it to spot another animal from far away. If a giraffe is attacked they will use their hooves to kick the enemy. One swift kick from a giraffe is enough to kill a lion.

Female giraffes usually have one baby. A baby giraffe is called a calf.

LIVEWORKSHEETS

A giraffe's tongue is so long that they can use it to clean their ears!

3. Answer the questions about the text:

a) What is the tallest animal in the world?

_____

b) What is the giraffe's favorite food?

_____

c) What do giraffes use to kick their enemy?

_____
