SPEAKING ABOUT FREE TIME ACTIVITIES

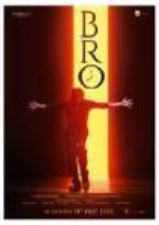

1 1.05 **Read the text and answer the questions in pairs.**

1 Is Amy the same age as Lee?
2 Are they at the same school?
3 Is Amy interested in sport? Which ones?

This is Amy Arnold, Lee's best friend.
She's fifteen and she's also at Harlow Mill High. She hasn't got any brothers or sisters. Amy's birthday is on 15 November – she's a typical Scorpio. Amy is very good with computers and her hobbies are playing computer games, surfing the internet, taking photos, swimming and, in summer, cycling. She has a busy life – she has judo classes two evenings a week after school and she sometimes has training sessions with the school volleyball team too. Amy is a very big fan of Bro, the pop star.

Read the text about Amy again. What are her hobbies and interests?

Amy's hobbies are .....

She has a busy .....

Amy is a big fan of .....
