Read the letter. Then answer questions 4 to 5.

Dear Dad,

Happy Father's Day! I just want to say thank you for everything. You are a good friend, an amazing supporter, a super cool soccer player and the greatest dad in the world. I know how much you like fixing things around the house, so I got you a tool belt as a Father's Day present. I hope you like it. I love you very much!

Your son,
Jake
