

3

Listen and circle.

## Different Twins

My name's Matt  
And my name's Mike.  
We want to talk to you.  
I do my chores  
And I do, too.  
But we are not alike.

Mike and Matt, Matt and Mike.  
These two twins are not alike.

I'm Matt,  
I always take out the rubbish / clean my room.  
I do my chores each day.  
I sometimes do the dishes / study for a test  
And then we go and play.

### Chorus

I'm Mike,  
I always clean my room / make my bed.  
I do my chores each day.  
I sometimes feed the fish / walk the dog  
And then we go and play.

### Chorus

4

What chores do you do? Write four sentences.
