

I've got a **laptop**,
With some great **apps**.
It's got an **e-book** and wifi
And a special **rucksack**.

There's an online **dictionary**
To see what words mean.
There's no **bin** in my room,
It's there on the screen.

I can do it all ...
On my brilliant laptop.

I do my homework.
I use the **Internet**.
I find safe **websites**
On the World Wide Web.

I can copy and cut,
Paste a photo or two.
I don't need **scissors**
And I don't need **glue**.

Chorus
