

# Present Continuous Practice

## Composition Exercise: My Busy Day

**Instructions:** Imagine you are describing your day to a friend who is curious about what you are doing right now. Write a composition in which you talk about your activities throughout the day using the Present Continuous tense. Be creative and include details about your surroundings, feelings, and interactions with others.

\*Si necesitas un ejemplo de lo que debes escribir pídele a tu maestro el Sample de la lección 12.
