## Discuss:

Read the quotations and answer the questions that follow.

*'Do not waste water even if you were at a running stream.'*

*'The earth provides enough to satisfy every person's needs, but not every person's greed.'*

*'We do not inherit the world from our ancestors; we borrow it from our children.'*

- What point about the environment does each of them make?
- How far do you agree with these statements?
