

"Forever & Always" by Taylor Swift

Once upon a time

I _____ it was a Tuesday when I _____ your eye

And we caught onto something

I hold onto the night

You _____ me in the eye and _____ me you loved me

_____ you just kidding?

'Cause it seems to me

This thing _____ down, we almost never speak

I _____ welcome anymore

Baby, _____? Please, tell me

'Cause one second, it _____ perfect

Now, you're halfway out the door

[Chorus]

And I stare at the phone, he still _____

And then you feel so low you can't feel nothing at all

And you flashback to when he _____, "Forever and always"

Oh, and it _____ in your bedroom

Everything is wrong

It rains when _____ here and it rains when you're gone

'Cause I _____ there when you said, "Forever and always"

_____ out of line?

_____ say something way too honest, made you run and hide

Like a scared little boy?

I looked into your eyes

_____ I knew you for a minute, now, _____ so sure

So here's to everything coming down to nothing

Here's to silence that _____ me to the core

Where _____?

Thought I _____ for a minute, but I don't anymore

[Chorus]

Oh, back up, baby, back up

_____ everything?

Back up, baby, back up

_____ everything?

[Chorus]
