Nicole's Spring Break to *Niagara Falls*

This is my best friend. Her name's Heather. Her home is in London, but she isn't British. He's American. And this is Heather's boyfriend, Andrew. He's 22, too.

And here are Esteban and David. They're brothers and they are my cousins. They're from Monterrey in Mexico. In this picture, they're in their hotel restuaurant.

These are my friends Jess and Jackie. They're students. Jess is Australian. She's from Newcastle. It's next to Sydney. And Jackie's from Sao Paulo, Brazil. She's Esteban's girlfriend.
