------------	------	------	--------------	-----	----------

## 4 READING AND COMPREHENSION

**Read the article and then complete the tasks.**

### Reasons Why Online Shopping Is Better

1. \_\_\_\_\_

Your time is very important. When you shop in a store, you have to first drive to the store, get your products and then wait in line to pay. This takes a lot of time. But, if you shop online - you can place your order and then do something else while your products are delivered!

2. \_\_\_\_\_

Shopping online means you can do it from the comfort of your own home. All you have to do is go online and place your order. Even if the product is out of stock in the store closest to you - you can find it

online. This saves you the time and cost to drive from store to store for your product.

3. \_\_\_\_\_

When you shop online, you don't have to wait in a queue to pay for your product. You simply add them to your basket online and check out. No need to waste time in queues.

4. \_\_\_\_\_

When you shop online, you can easily look for categories, brands or shops and compare prices, colours and sizes. You can also see which products are available in store if you need to pick them up.

Adapted from an article by Bom Gamer. Link: [Article](#)

**Task 1: Complete the articles with titles provided in the box below.**

You don't have to wait in queues  
You can easily compare products

It can save time  
It can save transportation costs

**Task 2: Say whether the following statements are true or false.**

1. Shopping online takes longer, because you have to wait in a queue.
2. Shopping in a store is quicker because you have the product immediately.
3. It is more expensive to shop online, because there are a lot of delivery costs.
4. When you shop online, it is easier to compare products.
5. It is safer to shop online, because you avoid roads and crowds.

**Task 3: Look at more reasons in the box why online shopping is better. Expand on each point and give more details. Say as much as possible!**

You can shop anytime you want    Products are cheaper    You can avoid crowds

**Task 4: Compare online and traditional shopping with the grammar in exercise 2 and the words in the box below.**

convenient    fun    quick    cheap    expensive    easy    safe
