

- ( ) My love, it lies so deep
- ( ) Just once that all I need
- ( ) Ever felt away without me
- ( ) Entwined in finding you one day
- ( ) Ever felt away with me
- ( ) Ever dream of me

Would you do it with me?  
 Heal the \_\_\_\_\_ and change the \_\_\_\_\_  
 Would you do it for me?  
 Turn loose the \_\_\_\_\_ within  
 I'd take you \_\_\_\_\_  
 Castaway on a lonely day  
 Bosom for a teary cheek  
 My song can, but borrow your \_\_\_\_\_

/ CHORUS /  
 Dream of me

Come out (2X), wherever you \_\_\_\_\_  
 So lost in your \_\_\_\_\_  
Give in (2X) for your touch  
 For my taste, for my \_\_\_\_\_

/ CHORUS /  
 Your beauty cascaded on me  
 In this white night fantasy  
 Dream of me

/ CHORUS /
