WE USED TO WAIT

Arcade Fire - Music Video here

I used to _____

I used to _____ letters

I used to _____ my name

I used to _____ at night

Before the flashing lights settled deep in my brain

But by the time we met

By the time we met

The times had already changed

So I never wrote a letter

I never took my true heart

I never wrote it down

So when the lights cut out

I was lost standing in the wilderness downtown

Now our lives are changing fast

Now our lives are changing fast

Hope that something pure can last

Hope that something pure can last

It seems strange

How we used to _____ for letters to arrive

But what's stranger still

Is how something so small can keep you alive

We used to wait

We used to _____ hours just walkin' around

We used to wait

All those wasted lives in the wilderness downtown

Oh, we used to _____ (3x)
