WE USED TO WAIT

Arcade Fire - Music Video [here](#)

I used to _____
I used to _____ letters
I used to _____ my name
I used to _____ at night
Before the flashing lights settled deep in my brain
But by the time we met
By the time we met
The times had already changed
So I never wrote a letter
I never took my true heart
I never wrote it down
So when the lights cut out
I was lost standing in the wilderness downtown
Now our lives are changing fast
Now our lives are changing fast
Hope that something pure can last
Hope that something pure can last
It seems strange
How we used to _____ for letters to arrive
But what's stranger still
Is how something so small can keep you alive
We used to wait
We used to _____ hours just walkin' around
We used to wait
All those wasted lives in the wilderness downtown
Oh, we used to _____ (3x)
