

Read each waste management statement. Show thumbs up if the practice is right and thumbs down if it is wrong.

1. Use the empty jars of mayonnaise as candy jars or food storage jars.  
2. Bury aluminum cans and broken glasses underground.  
3. Put all food residues together with the trash of the day.  
4. Segregate glass wastes from plastic, papers, and rubber.  
5. Burn old tires and broken plastic toys at the backyard.
