And we couldn't want it anymore  
We could never turn back now  
Got to leave it all on the -----

Been dreaming of the payoff  
Through the ----- and the trade-offs  
Fighting tooth and nail on the way up  
Tell them the truth but they think it's just made up

And I think they got it all wrong

'Cause we're gonna be legends  
Gonna get their attention

Gonna teach 'em all a lesson  
Got this feeling in our souls we carry

To make a stand, you've got to win the fight  
Can't stand the heat then just stay out the light  
For you might never make it out alive  
You gotta live ----- a compromise  
Let everybody hear your battle cry

Gonna teach 'em all a lesson  
Got this feeling in our souls we carry  
It's about to be legendary
