L READING COMPREHENSION

1) READ THE PRESENTATION ABOUT FITO PAEZ.

MY FAVOURITE MUSICIAN by Santino.

Today I want to tell you about my favourite musician, the Argentine rock star Fito Páez. His real name is Rodolfo, but people normally call him Fito. He's from Rosario, but he's living in the city of Buenos Aires right now.

Fito is a singer-songwriter and a pianist. I haven't got all of his albums, but I've got about ten, including "DEL '63", his first album, and "El amor después del amor." However my favourite album is "Abre". The songs on the album are fantastic. I love "Allado del camino" because the lyrics are great. "La despedida" is very different. It's a sad song, but it sounds fantastic.

Fito's concerts are always amazing. He frequently plays in different countries in South America.
