

A funny story

Read the text

Two Americans were travelling in Spain. One morning they **came** into a little restaurant for lunch. They didn't know Spanish, and the waiter didn't know English. They were going to tell him that they **wanted** some milk and sandwiches. At first, they **pronounced** the word "milk" several times. Then they **spelled** it. But the waiter **could** not understand them. At last, one of them **took** a piece of paper and **began** to draw a cow. He was finishing his drawing, when the waiter **looked** at it and **ran** out of the restaurant.

"Do you see", **said** one of the travellers. "What a pencil can do for a man who has language difficulties in a foreign country?"

The waiter was back again some time after, but he **brought** no milk.

He **put** down in front of the two men two tickets for a bull-fight.
