

You Belong With Me

You're on the _____ with your _____, she's upset
She's going off about something that you said
'Cause she doesn't get your humor like I do
I'm in my room, it's a typical _____ night
I'm listening to the kind of music she doesn't like
And she'll never know your _____ like I do
'Cause she wears short skirts, I wear t-shirts
She's cheer captain and I'm on the bleachers
Dreaming 'bout the day when you wake up and find
That what you're looking for has been here the whole time
If you could see that I'm the _____ who understands you
Been here all along, so why can't you see?
You belong with me, you belong with me
Walk in the streets with you in your worn-out jeans
I can't help thinking this is how it ought to be
Laughing on a park bench thinking to myself
"Hey, isn't this easy?"
And you've got a _____ that can light up this whole town
I haven't seen it in a while since she brought you down
You say, "You're fine", I know you better than that
Hey, what you doing with a girl like that?
She wears high heels, I wear sneakers
She's cheer captain and I'm on the bleachers
Dreaming 'bout the _____ when you wake up and find
That what you're looking for has been here the whole time

If you could see that I'm the one who understands you
Been here all along, so why can't you see?
You belong with me
Standing by and waiting at your back door
All this time, how could you not know, baby?
You belong with me, you _____ with me
Oh, I remember you driving to my _____
In the middle of the night
I'm the one who makes you laugh
When you know you're 'bout to cry
I know your favorite songs
And you tell me 'bout your dreams
Think I know where you belong
Think I know it's with me
Can't you see that I'm the one who understands you?
Been here all along, so why can't you see?
You belong with me
Standing by and waiting at your back door
All this time, how could you not know, _____?
You belong with me, you belong with me
You belong with me
Have you ever thought just maybe, you belong with me?
You _____ with me
