Read the text and fill in the gaps with the correct form of the verb (present simple or present continuous). Some KEYWORDS are in green or red. just to help you out.

I (not know) what to think of my brother Tom. He (live) in London where he (have) a small flat not far from the city centre. He (be) a journalist and usually (work) from 8 a.m. till 6 p.m. during weekdays. At weekends he **often** (spend) time with his friends. They **usually** (go) out to a pub or a music concert. However, **at the moment** Tom (not work).

He (enjoy) a few days off work with his new girlfriend Jane. They (visit) our cousin George in New York. On Friday they (travel) to Los Angeles because they (want) to visit Hollywood.

It seems to be OK, but I cannot stand one thing. Jane is not Tom's first girlfriend. He had a few partners before but he **often** (split up) with the girl after a few weeks of dating. I am not surprised. He is so disorganized. He (always leave) clothes on the floor in his bedroom and is **often** late. It is so irritating. I hope this time it is going to be different. Tom and Jane (love) each other and I think they (want) to stay together.

I (believe) they are a perfect couple. However, Tom must change. (you / think) our mum should talk to him too?
