Pair Work

Student B

Instructions: Discuss with your partner the questions below, asking and answering them. Explain your answers, say the reason.

1. Do you prefer to hang out (salir a divertirse) with younger people or older people than you?
2. Is it better to have a native English teacher or an English teacher who speaks your language?
3. Are you or your siblings smarter than your parents? In what ways?
4. In your opinion, which food is tastier, Chinese, or Mexican?
5. For you, which animals are more intelligent? Cats or dogs?
6. What sports or hobbies would you like to be better at?
7. Which city do you consider more interesting, Paris or London?
8. In what ways do smartphones make life worse than life thirty years ago?
9. What is worse, quit school and start working to start earning money (comenzar a ganar dinero) or continue studying and get a better preparation for life?
10. Is tonight cooler or hotter than last night where you live?
