

Hi. my name is Nick. Yesterday was terrible for me because I stayed at home all day. I wanted to go out, but it was raining outside. I was feeling tired of being trapped inside the house.

I tried to play with my sister, but she was doing her homework. My father was reading his book, and my mother was watching TV.

After lunch, I decided to sit by the window and watch the street. Some people were waiting at the bus stop. While I was watching the street, I witnessed an accident. A car couldn't stop at the traffic lights and hit another car. Luckily nobody injured.

Now I am waiting for my friend. We will go to the park to play football together. I injured my knee while I was playing last week but it is okay now. My team needs me!
