1. You know, there are moments in this life - and I mean this literally - when the pure, unadulterated evil is on this world.
 2. The people of lived through one such moment this weekend.
 3. The bloody hands of the terrorist Hamas - a group whose stated purpose for being is to kill Jews.
 4. There are still so many families desperately waiting to hear the fate of their loved ones, if they're alive or dead or hostages.
 5. So, in this moment, we must be crystal clear: We stand with Israel. And we will make sure Israel has what it needs to take care of its citizens,, and respond to this attack.
 6. Like every nation in the world, Israel has the— indeed has a duty to respond — to these vicious attacks.
 7. But we're going to continue to, supporting the people of Israel who are suffering unspeakable losses and opposing the and violence of terrorism.
 8. Let me say again — to any country, any organization, anyone thinking of taking advantage of this situation, I have one: Don't. Don't.
