

## READING PRACTICE

### A special Painter

#### An unusual *artist*

Meet Esref Armagan. Esref is a famous Turkish artist. He is a pointer, and his paintings are good. But Esref is an unusual painter. He can't see. That's right—he is blind. He can't see or understand colors, but he can draw and paint houses, objects, and people.

Armagon can see with his fingers. His eyes are his hands. People from countries all over the world are interested in Esref and his unique method. The former president of the United States, Bill Clinton, is one of his famous "models." Esref is married. His wife is also blind. Her first name is Nilufer. And he is a father. His two children can see, but they can't paint. Their home is in Ankara, Turkey.

Esref Armagan's unique method of pointing is an inspiration to people everywhere.
