- 6 ★★★ Read Amy's magazine review of the band Trouble in their concert last night. Write questions and answers.

I was at a concert last night. The band's name was Trouble. I was excited about it, and I'm happy to say that they were fantastic. The singer, Joe Brady, can sing really well. He's also a great guitarist. That was good because their other guitarist, Nathan Jones, was at home with a bad leg! Joe is a good songwriter, too. The words in the songs were awesome. There was one problem, though. There were only a few fans there. I don't know why, because Trouble is a really good band. I hope they play again soon!
