

Wild world

Mr Big

Now that I've lost **everything/ everybody** to you

You say you wanna **begin/ start** something new

And it's breaking my heart you're leaving

Baby, I'm **grieving/crying**

But if you wanna leave, **have/ take** good care

Hope you have a lot of nice things to **hear/ wear**

But then, a lot of nice things turn bad out there

Ooh, baby, baby, it's a **wild/ will** world

It's hard to get by just upon a **smile/small**

Ooh, baby, baby, it's a wild world

I'll **always/never** remember you like a child, girl

You know, I've seen a lot of what the world can **see/do**

And it's breaking my **heart/head** in two

'Cause I never want to see you sad, **baby/girl**

Don't be a bad girl

But if you **wanna/gonna** leave, take good care

Hope you make a lot of nice friends out there

Just **remember/understand** there's a lot of bad and beware

Beware

chorus

And, baby, I love you

But if you wanna leave, take **your/good** care

Hope you **do/make** a lot of nice friends out there

Just **november/ remember** there's a lot of bad and beware
