

-
1. You know, there are moments in this life - and I mean this - when the pure, unadulterated evil is unleashed on this world.
 2. The people of Israel lived one such moment this weekend.
 3. The bloody hands of the terrorist Hamas - a group whose stated for being is to kill Jews.
 4. There are still so many families waiting to hear the fate of their loved ones, not knowing if they're alive or dead or hostages.
 5. So, in this moment, we must be clear: We stand with Israel. We stand with Israel. And we will make sure Israel has what it needs to take care of its citizens, itself and respond to this attack.
 6. Like every nation in the world, Israel has the right to respond — indeed has a to respond — to these attacks.
 7. But we're going to continue to stand united supporting the people of Israel who are suffering losses and opposing the and violence of terrorism.
 8. Let me say again — to any country, any organization, anyone thinking of taking of this situation, I have one word: Don't. Don't.
