Volume of 3D shapes

Determine the volume of 3D below!

$$\text{Area of base} = \quad \text{m}^2$$

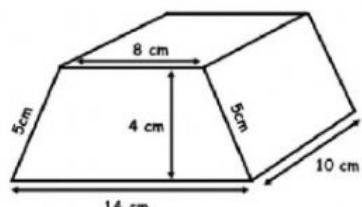

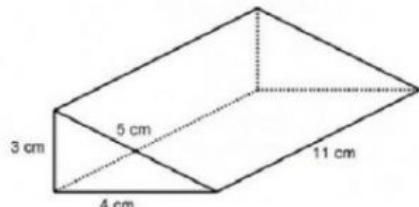

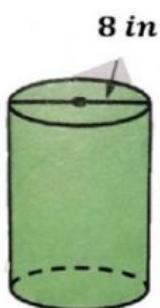

$$\text{Area of base} = \quad \text{cm}^2$$

$$\text{Area of base} = \quad \text{cm}^2$$

$$\text{Volume} = \quad \text{m}^3$$

$$\text{Volume} = \quad \text{cm}^3$$

$$\text{Volume} = \quad \text{cm}^3$$

$$\text{Area of base} = \quad \text{in}^2$$

$$\text{Area of base} = \quad \text{cm}^2$$

$$\text{Area of base} = \quad \text{cm}^2$$

$$\text{Volume} = \quad \text{in}^3$$

$$\text{Volume} = \quad \text{cm}^3$$

$$\text{Volume} = \quad \text{cm}^3$$
