

# Family time

As I can see it is a family. There are four family members here. The members are a mother, father, boy and girl. They look happy. **They are having a picnic in nature.**

I guess it is a family of three. There is a mother, father and daughter here. **They are playing puzzles and look like they're having a good time.**

If you ask me, this is a father and daughter and they are doing homework together. The father is helping his daughter and she is laughing joyfully.

The way I see it, they are brother and sister and they are playing with toys. The girl is playing with a teddy bear and the boy is playing with a rocket.

I consider that it is a family. Family members are a mother, father, son and daughter. **They are walking in the park.**

I guess it is a family of three. There is a mother, father and daughter here. **They are dancing.**

I assume that it is a family of three. This is a mother, father and son and they are at a distance. **They are communicating online.**

I guess it is a family of three. There is a mother, father and daughter here. **They are roasting marshmallows and spending the evening by the fire**

As I see it is a family of three. There is a mother, father and son here. **They are building a sandcastle and having a good time now.**

The way I see it, they are siblings. **They are preparing the decorations for Halloween. The boy is wearing a witch hat and the girl is decorating a pumpkin now.**
