

# ALL YOU NEED IS SONG

1.- Complete the gaps as you listen to the song. Drag and drop:

Fall

saved

watched

knew

were

was

kissed

better

touched

Fell

burned

were

set

was

heard

I let it \_\_\_\_\_ , my heart

And as it \_\_\_\_\_, you rose to claim it

It \_\_\_\_\_ dark and I \_\_\_\_\_ over

Until you \_\_\_\_\_ my lips

and you \_\_\_\_\_ me

My hands, they \_\_\_\_\_ strong

But my knees were far too weak

To stand in your arms

Without falling to your feet

But there's a side to you

That I never \_\_\_\_\_, never knew

All the things you'd say

They \_\_\_\_\_ never true, never true

And the games you'd play

You would always win, always win

But I \_\_\_\_\_ fire to the rain

\_\_\_\_\_ it pour

As I \_\_\_\_\_ your face

Well, It \_\_\_\_\_ while I

Cause I \_\_\_\_\_ it screaming

Out your name, your name

When I lay with you

I could stay here, close my eyes

Feel you here forever

You and me together, nothing gets \_\_\_\_\_

**2.- Join with line correctly.**

Sometimes I wake up by the door  
I set fire to the rain  
Even now, when we're already over  
When it fell, something died  
As I touched your face

From looking for you  
Well, it burned while I cried  
Cause I knew that that was the last time  
That heart you caught  
And I threw us into the flames
