Hi, there! My name is Fred. I'm Rita's brother. In my free time, I watch a lot of TV. I always watch American series. They're really interesting! My favourite series is about two spies. I never watch the news or sports programmes. I don't like them. I always watch TV in my bedroom. I've got a new LED TV. It is fantastic! I go to the cinema once a month. I go with my friends. I usually see action films. They're great!
